<p>We love the location of this home due to its close proximity to Rt 8 and Rt 6. What we love even more is the privacy of the lot, the huge 4 car heated garage, and the well equipped dream kitchen! This is a must see to truly appreciate. As you enter the lot you'll pass a large shed that can be used to store tools or seasonal equipment. Arrive at the home and walk through the main entrance where you'll be greeted with a large finished room, wood burning stove, and a half bath. On either side of this room are the heated garages that hold at least two cars each. Excellent for the car enthusiast or handy workshop person. Upon entering the main level you'll be greeted with an enormous kitchen. The center island boasts a sink, compactor, breakfast bar, and dishwasher. Kitchen also has a double sink overlooking the yard, a gas cooktop, double oven, and lots of cabinet space. It's the heart of the home and has access to the large wrap around deck. On the main level there is also a formal dining room, living room with a fire place, bonus room, and master bedroom suite. The master bedroom suite has a full bathroom with stall shower and jacuzzi tub. In the upper level you have the additional bedrooms and full bath. This property has many other features such as central air, central vacuum, and recessed lighting. With some light finishing touches one can turn this into their dream home. Come take a look for yourself.</p> <p><i>Listing Courtesy of iVision Real Estate</i></p>

1 Lane Hill Rd Residential 3/3 2,050 sq ft 55,756 2018 4/4/2019 \$329,000 \$160

This beautiful home was built by contractors as if they were going to live in it. This 6 room, open floor plan, Colonial is located on a magnificent lot with an original stone wall on part of the property. You'll find hard wood floors throughout the house. An appliance allowance allows you to choose the kitchen appliances you want. The kitchen has granite countertops and beautiful, white, self closing cabinets. It opens onto a deck, perfect for relaxation, and a large dining room. The great room has beautiful windows, upgraded trim and is full of light. The bathrooms are tiled. The laundry is upstairs, just off the 3 bedrooms. The furnace and air conditioning units are top of the line. The garage is built with no center columns, allowing large vehicles to be stored. The basement has a double door walk out and has been sealed with top of the line waterproofing. The property is near Buttermilk Falls and is surrounded by hiking and bike trails. This home is beautiful and perfect for those who love privacy and the beauty of outdoors. There are also 3 additional lots, if you'd like a different style or would like to get involved earlier in the building process.

<p>Own a piece of history with charm that cannot be replicated today. Constructed with hand-hewn beams and old growth timber, this 18th Century Farmhouse was built shortly after George Washington left office! If you want a cookie-cutter 1990's builder-grade home, this is not for you. If you're looking to be inspired by the place you live, come fall in love with this property. This home was carefully maintained by the current owners for the last 31 years and is situated on 5+ Acres of beautiful Litchfield County land. Peaceful fields surround you with Scenic pastures and wooded acres including a Pond and Natural Spring. Imagine strolling along Centuries-Old Stone Walls in the perfect setting for your garden and orchards. Connect with nature and enjoy your property with children, family or friends. You'll enjoy entertaining guests on the oversized, Mahogany, screened-in porch. Inside you'll find a large, eat-in kitchen with tons of cabinet space, a formal dining room with traditional built-ins, and a wood-burning stove. Central AC & energy efficient windows make the living space comfortable and bright while two wood-burning fireplaces add cozy ambiance. The lower level features solid oak floors, an office, multiple living spaces, laundry, full bath and huge family room with custom cabinetry, a reading bench, and a beautiful dry bar. The property also has a three car attached garage, backup generator, custom workshop and shed, and plenty of storage in the attic & basement.</p> <p><i>Courtesy of Blue Lighthouse Realty, Inc</i></p>

About RPR (Realtors Property Resource)

- Realtors Property Resource® is a wholly owned subsidiary of the National Association REALTORS®.
- RPR offers comprehensive data – including a nationwide database of 164 million properties – as well as powerful analytics and dynamic reports exclusively for members of the NAR.
- RPR's focus is giving residential and commercial real estate practitioners, brokers, and MLS and Association staff the tools they need to serve their clients.
- This report has been provided to you by a member of the NAR.

About RPR's Data

RPR generates and compiles real estate and other data from a vast array of sources. The data contained in your report includes some or all of the following:

- **Listing data** from our partner MLSs and CIEs, and related calculations, like estimated value for a property or median sales price for a local market.
- **Public records data** including tax, assessment, and deed information. Foreclosure and distressed data from public records and RealtyTrac.
- **Market conditions and forecasts** based on listing and public records data.
- **Census and employment data** from the U.S. Census and the U.S. Bureau of Labor Statistics.
- **Demographics and trends data** from Esri. The data in commercial and economic reports includes Tapestry Segmentation, which classifies U.S. residential neighborhoods into unique market segments based on socioeconomic and demographic characteristics.
- **Business data** including consumer expenditures, commercial market potential, retail marketplace, SIC and NAICS business information, and banking potential data from Esri.
- **School data and reviews** from Niche.
- **Specialty data sets** such as walkability scores, traffic counts and flood zones.

Update Frequency

- Listings and public records data are updated on a continuous basis.
- Charts and statistics calculated from listing and public records data are refreshed monthly.
- Other data sets range from daily to annual updates.
